

WILLIAM JACOB™
MANAGEMENT

08/24/04

William Jacob Management, Inc. Opened Its Doors for Business

2004

DEVON - POLVO

Involved in the Entire Life Cycle of the Project from Concept to Commissioning and Start Up on a Drill Rig, Platform and FPSO

2006

MURPHY - AZURITE

Interface Management Structural & Mech Engineering and Piping Design on FPSO

STATOIL - PEREGRINO

Project Mgmt, Engineering, Construction Mgmt, Commissioning for 2 HP Drilling Rigs

2008

CAMAC/ENI - OYO

FPSO Project Management

IDM EQUIPMENT

Engineering & Design on the SST Project

2010

EXXON - BERKUT

Design of Drilling Pkg Component (Topsides/ Drilling Rig, Including the Derrick, Pipe Barn, Substructure, Well Control System and Mud System

PRIDE ASCENSION

Modifications to Drillship Design

2011

BP - LIBERTY

Technical Audit, Engineering, Survey, Cost Development & Analysis

2H OFFSHORE

Design Riser Fairing Shipping Module for Chevron Bigfoot TLP

SAROST

Engineering for Jawhara 05 Repair & Conversion

2012

NORTHERN OFFSHORE

Jackup Upgrade FEED

SPARTAN OFFSHORE

Upgrade/Winterization

FURIE - KITCHEN LIGHTS

Engineering & Design of Monopod & Production Facility

2013

BP - PROJECT 20K

Conceptual Design

UNDISCLOSED MAJOR

FEED for an Enhanced Mobility Land Rig for Work in an Undisclosed Arctic Region

UNDISCLOSED MAJOR

FEED for TLP to Work in Angola

2014

SAVANNA

Proj & Const Mgmt on 750hp Land Rig

UNDISCLD MAJOR

Project Support on Newbuild Drillship

MENADRILL

Jackup Survey

EXXON - BERKUT

Sailaway & Ops

FURIE - MONOPOD

Sailaway

MOVE TO PARK 10

CALDIVE

Engineering Brownfield Services on Multiple Vessels

TODCO

WJM Performs Re-fit Budget & Planning on 2 Jackups

MUSTANG/ SUPERIOR/ MARLIN OFFSHORE

Engineering Support

2007

CROSS LOGISTICS

ASCOT INT'L

NOBLE

Various Modifications and Engineering Support

2009

SSP

Development Support

OPPORTUNE

Audit Assistance

DOYON DRILLING

Project Consultant

COASTAL OIL & GAS

MOPU Development

DEVON - JACK ST MALO

Review Drill Rig Details

BLAKE INTERNATIONAL

Verification of Structural & Equipment on HP Platform Rig

CHEVRON - LORANE MANATEE

Prelim Studies on Drill Rig

PEMEX

Engineering & Design of Two 3,000 HP Platforms

SHELL - OLYMPUS

Engineering & Design Support on TLP

SIDEWINDER

3D Layouts of Modules & Pipe Routing for New Generation Land Rig

New Brand Initiative

MORF

Copyrighted the Modular Offshore Rig Facility

CONTINUING A TRADITION OF BREAKTHROUGH INNOVATION
